## **COV-AID Package Reimbursement Request Form**

In response to the COVID-19 pandemic, WCUI has implemented a COV-AID Package for eligible and active externship students. In addition to the support provided in the COV-AID Package, WCUI will provide financial reimbursement to encourage our student's ongoing education for the following:

- · Provide reimbursement of the student's requisite CME credits and courses
- · Provide reimbursement for up to, two (2) registry exams
- Provide reimbursement attendance at up to two (2) applicable conferences. This includes conference attendance fees, hotel, and flight up to a max reimbursement payment of \$1,000.

All above activities, must be completed within two (2) years following the date of the student's graduation from WCUI. In order to receive reimbursement, students must send in copies of receipts of the above eligible activities to their Career Services Department for review. Please attach copies of this receipt to this completed form.

Please fill out the form below, attach all copies of your receipts and send to your Career Services team.
