To whom it may concern,

Hi, my name is Izzy and I'm 16 years old. I would like to apply to this job at TKmaxx and would love to be considered for the position. I believe I would be a great addition to your team because I'm a fast learner, I'm intuitive and I would bring an enthusiastic attitude to the workplace due to my interest in fashion and working with people. I took Fine Art and Textiles at GCSE and I'm predicted 9s in both subjects. I will continue to study both subjects for A Levels at Itchen College in september. I work well on my own and as part of a team, I have 3 older siblings meaning I am comfortable working with adults and people of all ages. I'm confident and hard working, I also live locally and value punctuality so this role would be perfect.

Thank you so much for this opportunity, I look forward to hearing back from you.

Faithfully,  
Izzy King
